DEATH OF FORMER CANTON RESIDENT

Oliver E. Brady, aged 67, a former resident of Canton, died Sunday morning at 12:10 o'clock at his home, 62 Andrew street. Mr. Brady was well known in Massillon and Canton. Funeral services will be held at the residence Tuesday afternoon at 1 o'clock. His body will be taken to Canton for burial where it will be interred in the Rowland cemetery. The deceased is survived by a widow, Mrs. Elizabeth Brady, a son, William S., and a daughter, Mrs. Blanche Yocum, both of Massillon.

Mr. Brady was born in Canton and lived there his entire life with the exception of the last ten years which he spent in Massillon. He served throughout the war having responded to Lincoln's first call. For three months he was a member of the 1st Ohio regiment, after which he re-enlisted in the 76th, with which regiment he served until the remainder of the war. The pall bearers at the funeral services will be surviving members of the 76th regiment.

TWO LOCAL TEAMS AT NATIONAL TOURNEY

Massillon will be represented at the national bowling tournament now being held in the Duquesne Garden, Pittsburgh by two five-man teams under the leadership and management of Fred Smith of the Brunswick alleys. The teams will be known as the Smiths No. 1 and the Smiths No. 2. They have been picked from the best men who have bowled in the Brunswick league this winter. The two teams for several weeks have been bowling more or less among first class scores.

Best of the two entries as five-man teams the members of the teams will bowl in doubles and individuals. The Massillon delegation will bowl Monday evening. The teams have what purports to be a winning aggregation and it is expected that they will bring some of the prize money home with them.

KNEFFLER STARS SELECT SUITS

A business meeting of the Kneffler Stars baseball team was held at the Kneffler west side cigar store, at 1 o'clock Sunday afternoon. The matter of suits was at last decided, measurements were taken and the order will be given in the near future. The suits will be of a very light gray with maroon trimmings. They will be in time for early practice and games.

Peter Hollander, Sr., was unanimously elected treasurer of the association. A captain has not been chosen yet and probably will not be until near the beginning of the playing season. Everything is getting into shape for the beginning of the season. The club intends to give a dance for the benefit of the team before the season starts. This will probably take place soon after Easter. It is the intention of Manager Koonitz to have affairs in shape so that the team may have its first practice in about two weeks. No games have been signed but as soon as a few more teams in this vicinity get in the field a schedule will begin to be filled out.

MATCH GAME TO BE HELD ON BRUNSWICK ALLEYS

The second match game between the east and the west sides in the ten pin line will be bowled some time this week on the Kneffler alleys between the pick of the west sliders and the Smith No. 1 team of the Brunswick alleys. Last week the first game was bowled on the Brunswick alleys and ended in an overwhelming victory for the east sliders. The Kneffler ten pin artists will attempt in the second game to turn the tables on the thus far champions. If the west side wins the second game a third will be bowled to settle the tie.

PROMINENT EVENT IN JEWISH COLONY

WAS THE MARRIAGE OF MISS SADIE LEVIN TO HAROLD M. SAPIRO OF NEW YORK.

One of the most prominent events in many a day in the local Jewish colony, was the marriage of Miss Sadie Levin, daughter of Mr. and Mrs. Charles Levin 914 South Cherry street, to Rabbi Harold M. Shapiro, of New York city, last night. The ceremony was performed by the Rabbi T. Geffen and Rev. L. Shear in the Aguda Achen Synagogue, on Douglas street, at 6:30. The couple were united in the presence of several hundred persons, relatives and friends of the couple taking the utmost capacity of the synagogue. David Levin, a brother of the bride, acted as best man, and Miss Sadie Shapiro, a cousin of the groom, of Cleveland, was bridesmaid.

The ceremony over—and then. And then—they celebrated. Celebrator as only Jews know how. It was one grand time. Each guest considered it his binding duty to assist in launching the couple upon matrimony's sea, by adding to the revelry with the spirit he could command, and the combined efforts of 200 guests along this line made a sum total of no insignificant amount of merrymaking. Jovial Bacchus entered upon the scene, appetizing viands, of which there was a never failing supply, tickled the palates of the guests; and as the evening progressed clamor and confusion gave way to music and dancing.

The festivities knew no restraint; the joy of the occasion was entirely unconfined. Likewise the walls of the house failed to confine the din of the jubilation, but it must be said with truth that no noise of the affair was audible to downtown residents. The interior of the house presented a scene of happy, rollicking, jostling, seething mass of humanity with lines undrawn for sex. The safety progressed unmitigated for past the proverbial "we smn" hours. Everyone seemed to be afraid to go home in the dark, while others preferred not to go home at all. Cessation in the joviality was brought about at four, through sheer exhaustion of the merry-makers.

Numerous congratulatory telegrams were received by the couple from many cities throughout the United States. Following is a list of the out-of-town guests: Mrs. Harry Cohen, the Misses Rose, Sadie and Susan Shapiro, Mrs. Schovitz, Miss Bessie Block, Mr. and Mrs. Harry Landy, Mr. and Mrs. Anau, Mrs. B. Shapiro, Mr. and Mrs. Charles Hyman, Mr. and Mrs. J. Cohen, Mrs. Komar and Miss Komar, all of Cleveland; Edward Stein, of Pittsburgh; Samuel Levin, of Uniontown, Pa.; Miss Elizabeth Mulneki of New Philadelphia, and Misses Belle and Esther Persky, of Canal Fulton.

The couple will temporarily make their home with the bride's parents.

CUPS PRESENTED WINNING TEAMS

Y. M. C. A. BASKETBALL SEASON CLOSURES WITH TWO GAMES AND A RECEPTION.

The Y. M. C. A. basketball season was brought to a successful close, Saturday night, by contests between the Y. M. C. A. and the girls of Massillon High, and the girls of Massillon High and Canton High, followed by a reception and cup presentation to the winning teams in the Deuble and Klein and Heffelman leagues.

The first basketball game of the evening resulted in the defeat of the Y. M. C. A. team, 26 to 23, the second time this season at the hands of the second High aggregation. The game was one of the fastest and most well attended of the season at the Y. M. C. A. In the first half the Y. M. C. A. team had apparently clinched the contest, but inability to basket the sphere at the crucial moments of the second half resulted in defeat.

The basket tossing and tumbling contest between the Canton and Massillon girls, ended in the defeat of the latter, 18 to 4. There wasn't much excitement to this contest, though hair pin jangling furnished some diversion both to the spectators and the players. On this account the crowd overlooked the lopsidedness of the game and pronounced it decidedly interesting.

Following the games came the cup presentation. Cups were presented to the Agates of the Deuble league, and to the Victors of the Klein & Heffelman league, by Secretary P. B. Williams. Fully 100 were present at the ceremonies. Canton and Massillon girls were guests of honor. Line-up and summary:

EXPECT WHOLE FLEET OF BOOZE BOATS

East Liverpool, March 7.—News of Judge's Hole's decision regarding the inability of cities dry under the Beall law to prevent the sale of liquor from boats in the Ohio river, was received with great interest here and it is said that preparations are already being made by liquor men to equip a number of boats to supply the thrifty in this territory. If they do, this will precipitate a vigorous opposition by the Columbiana County Civic league, which will attempt to establish that the Rose law will not permit such selling. The co-operation of the Anti-Saloon league in West Virginia will probably be enlisted to prevent the threatened influx of floating saloons.

SALEM NEWS

Salem, March 7.—A country club will probably be one of the next modern acquisitions to be secured by Salem people who desire a country place on which to spend their idle evenings and Sunday hours during the warm weather. The proposed retreat will be located on the Brian farm west of town along the Stark Electric line. "There is an old mill dam on the place and it is claimed that by damming up the stream again an expanse of eight acres of water would be secured where fishing, boating and bathing would be instituted. A large commodious club house for dancing and the general comfort of the members is to be built.

"If I were to suggest a remedy for the divorce evil in this country," said Judge W. W. Hole before the Young Men's Lyceum of Lisbon. "The first would be to make a law whereby it would be considerably harder and more difficult to obtain a marriage license than it is now. Too many people take the step into matrimony altogether too lightly."

His suggestion was along the lines laid down by Federal Judge R. W. Taylor of Cleveland and favored a uniformity of laws over the entire United States relating to divorce. "The divorce law in various states is different and radically different," he said. "In some states there are over 20 grounds for divorce, which can be had for the asking."

In closing Judge Hole admonished the single young men to look carefully ahead before taking the step into matrimony and after the step had

been taken to keep intact the union.

The Stark Electric company will soon place on schedule a late car to leave Alliance for Salem at 11 p. m., reaching Salem at 11:45 and returning immediately without waiting here more than a few minutes.
